Material options :

Brass

Zinc alloy

Stainless steel

LET ALL YOUR
DREAMS,
embodied in the life bit by bit.

让所有的梦想，
在生活中的点点滴滴中体现。

家庭装修沿用的标准其实是处在不断的变化中，使住宅日益成为一个各种思潮风格混合的空间。浴室不再是纯粹的清洁理容的功能性空间——它们已经成为“提升身心健康”的中心。人们在浴室享受着私密时光并希望我们提供能提升这种体验的产品。

改善人们的生活品质，设计出能满足他们期待的产品，推动人与水的和谐共生，这是我们的责任！我们的产品必须易于操作，可靠，耐用，它们还必须为客户提供非同寻常的感受。

In fact, the established standard home decoration is in constant change, making housing increasingly becoming a mix of various styles of thought space. Clean the bathroom is no longer a purely functional space Barber - they have become "to enhance physical and mental health" in the center. People enjoying a private time in the bathroom and hope that our products can enhance the experience.

Improve the quality of people's lives, to design products to meet their expectations, and promote harmony between man and water. It is our responsibility! Our products must be easy to operate, reliable, durable, and they must provide customers with an extraordinary experience.

ENJOY FREENESS

卫浴五金挂件在家居装饰中只是一个小小的配角，却极其重要，选用了好的产品，能为卫浴装饰和使用起到点睛之效果，选用了差的产品，不仅破坏了卫浴装饰的整体美感，更会由于产品品质低劣而造成锈蚀、起泡、剥落、松动等后遗症，所以，如何选择优质卫浴五金相当重要。

是否符合装修风格

居家环境的格调要保持统一，浴室挂件是点睛之笔。品质生活，选择黄金品质浴室挂件。崇尚简约现代，选择线条简洁的浴室挂件。追寻复古风潮，选择传统造型的挂件。个性化居家，选择充满创意个性的浴室挂件。

浴室挂件材质是否厚实

有质感的浴室挂件在进门一刻就能显示主人的品味。造型相同，有品质的浴室挂件材质较为厚实，握在手里更有分量，比普通浴室挂件材质纯度更高，更耐强酸和强碱。

The bathroom hardware pendant is only a small supporting role in the home decoration, but it is extremely important. The good product is selected, which can make the finishing effect for the bathroom decoration and use. The poor product is selected, which not only destroys the overall beauty of the bathroom decoration. More rust, blistering, flaking, looseness and other sequelae due to poor product quality, so how to choose high-quality bathroom hardware is very important.

Whether it meets the decoration style

The style of the home environment should be kept uniform, and the bathroom pendant is the crowning touch. Quality life, choose gold quality bathroom accessories. Advocating simple and modern, choose the bathroom accessories with simple lines. Follow the retro trend and choose the traditional shape of the pendant. Personalize your home and choose a bathroom accessory with a creative personality.

Whether the room pendant material is thick

The textured bathroom pendant shows the owner's taste at the door. The same shape, quality bathroom pendant material is thicker, more weight in the hand, higher purity than the ordinary bathroom pendant material, more resistant to strong acid and alkali.
